Collection: IZON by Arik Levy is a collection of coffee and side tables designed to mix and match, and even overlap. Frames are of powder-coated aluminum in a variety of dimensions. Tabletops come in diverse shapes, sizes and materials, from glass to natural stone. With its wide range of options, IZON encourages users to combine materials, colors, planes and proportions, creating unique, layered table arrangements to suit any setting.

Characteristics: Overlapping. Universal. Refined. Elegant. Versatile.

Side table: At ø 54.5 cm (ø 21½"), this side table is the collection's smallest circular table. It comes in four powder-coatings and a choice of glass or high-pressure laminate tabletop. Mix and match with larger and smaller tables.

Frame: The frame consists of aluminum.

Finishing: The frame is electrostatic powder-coated.

Frame maintenance: Clean with a soft cloth and warm water.

Watch out: Dark tabletops may become very hot when exposed to strong sunlight.
