

MBRACE

Rocking chair

Design by **Sebastian Herkner** | Ref. **AYK.2** | Weight **9,9 kg/22 lbs** | Volume **1,01 m³/36 cu ft** | COM (Customer Own Material): **3,85 m/4,2 yd** (plain fabric only)

Measurements

Collection: MBRACE by Sebastian Herkner takes a joyfully unconventional approach to poolside furniture, bringing DEDON Fiber seating and a solid teak base together for the very first time. The result is an eye-catching, instantly likable collection for lounging, dining and more. MBRACE captures the spirit of barefoot luxury while extending the DEDON design language into new, more Nordic territory.

Characteristics: Friendly, engaging, embracing, innovative, exceptionally comfortable

Rocking chair: This wing-back rocking chair features a triaxial open-weave seat, a solid-teak base and a choice of comfortable cushions.

Material: The MBRACE seats are made of DEDON fiber woven over an aluminum frame. The base consists of premium teak.

Frame maintenance: Clean with a soft cloth or brush, warm water and a gentle cleanser, if needed. Wash the teak base using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.

Cushion maintenance: While the covers cannot be removed, the complete cushions may be washed by hand at 30 °C / 86 °F.

Options: This item is also available with a headrest cushion.

Craftsmanship in numbers: Length: 431 m / 471 yd | Weaving hours: 13
