Fortebraccio

Alberto Meda and Paolo Rizzatto, 1998

EN Practical and sturdy, Fortebraccio is the work lamp par excellence. Thanks to its innovative central joint, the lower and upper arms can rotate independently, allowing the lamp to assume the widest range of even extreme positions. The ergonomic grip at the top of the diffuser guides the smooth directional adjustment and contains the dimmer or switch. Equipped with a universal attachment, Fortebraccio can be installed anywhere.

IT Pratica e robusta, Fortebraccio è la lampada da lavoro per eccellenza. Grazie all'innovativo snodo centrale, il braccio inferiore e quello superiore sono in grado di ruotare in totale autonomia, consentendo all'apparecchio di assumere le posizioni più diverse ed estreme. L'impugnatura ergonomica, posta sulla sommità del diffusore, ne guida il fluido orientamento e integra al suo interno il dimmer o l'interruttore, agevolando i comandi. Dotata di attacco universale, Fortebraccio si installa ovunque.

DE Praktisch und robust Fortebraccio ist die ideale Arbeitsleuchte. Dank des innovativen zentralen Kugelgelenks können der untere und der obere Arm völlig unabhängig von einander gedreht und ausgerichtet werden, lässt sich die Leuchte in die unterschiedlichsten und sogar in extreme Positionen bringen. Der ergonomische Griff am Kopf des Diffusors dient fließenden Ausrichtungsbewegungen, der darin integrierte Dimmer oder Schalter sorgt für einfache Steuerung des Lichts. Fortebraccio hat einen Universalanschluss und kann überall angebracht werden.

FR Pratique et robuste, Fortebraccio est la lampe de travail par excellence. Grâce à son articulation centrale innovante, le bras inférieur et le bras supérieur sont en mesure de pivoter en toute autonomie, permettant ainsi à l'appareil d'adopter les positions les plus variées et extrêmes. La poignée ergonomique, située sur le sommet du diffuseur, guide son orientation fluide et intègre à l'intérieur le gradateur ou l'interrupteur, facilitant ainsi les commandes. Équipée d'une fixation universelle, Fortebraccio s'installe partout.

ES Práctica y robusta, Fortebraccio es la lámpara de mesa por excelencia. Gracias a la innovadora articulación central, los brazos inferior y superior pueden rotar con total autonomía, permitiendo al aparato asumir las posiciones más variadas y extremas. El mango ergonómico se sitúa en la cima del difusor, guía la orientación fluida de este e integra en su interior el regulador de luz o el interruptor, facilitando los mandos. Con su sistema de fijación universal, Fortebraccio se instala en cualquier lugar.
