

Husk

Marc Thorpe, 2015

Since ancient times, corn has been recognised across the world as a vital, versatile crop. It is Thorpe's inspiration for this chair, a corn husk, suggesting an enveloping, slightly enclosed, protective structure.

Its minimalist and understated lines are enriched by the quality and sophistication of the materials.

Care	<p>Generally speaking, the threads can be cleaned with some neutral soap [pH7] diluted in lukewarm water. Once cleaned with the soap rinse carefully with plenty of water in order to remove any residual. AGGRESSIVE CLEANING AGENTS MUST BE AVOIDED as they could damage the threads irreparably.</p> <p>To ensure the lasting quality of these products the care and maintenance action needs to be carried out regularly and from the very beginning, if the products are exposed poolside or seaside the cleaning action must be carried on a daily basis.</p>
Maintainance	<p>The items needs to be covered when not used or during severe weather conditions in order to PROTECT the structure and threads integrity. If the items are exposed to the direct sunlight, color variations or color loss need to be taken into consideration as the result of normal wear and tear.</p> <p>Check regularly if the glides are missing in order to avoid any possible damages to the structures and the floor. If the glides of the <i>Husk</i> armchairs are missing ask immediately for few replacement ones in order to avoid any irreparable damage to the threads caused by the friction between them and the floor.</p> <p>To ensure the durability of the products, ORDINARY USE IS RECOMMENDED. Do NOT stand on the items.</p>
Warranty	<p>All items of this collection are entirely handmade; each piece is unique and variations of colors, weaves and shapes are not considered defects but rather peculiarities of these products.</p> <p>The <i>M'Afrique</i> collection is covered by our limited warranty for two [2] years from the date of purchase. The warranty does NOT cover defects or damages resulting from misuse, abuse, neglect, accident, unauthorized modification, unusual physical stress, improper testing, operation, maintenance or installation of the product. Normal wear and tear are expressly EXCLUDED from this limited warranty.</p>

CARE: for any doubts or further information regarding care and cleaning, please contact your Moroso representative.

DISPOSAL: in order to respect the environment, it is recommended, at the end of the product's life, to separate the various component parts as much as possible and follow the respective recycling, recovery or disposal procedures in accordance with the regulations in force in the countries concerned.
